

# LOUIS ARMSTRONG NEW ORLEANS INTERNATIONAL AIRPORT PHASE IV & IV A MODERNIZATIONS AND SOUTHWEST AIRLINES GATES RENOVATIONS

New Orleans, LA

“Thank you for a job well done here at the Airport. Your team ought to be very proud for the difference they have made for our community. Thank you.”  
**Iftikhar Ahmad, Director of Aviation**  
New Orleans Aviation Board

## PROJECT OVERVIEW

As part of the airport's nearly \$357+ million Capital Improvement Program, McDonnell provided construction services on several critical projects including the Phase IV and IV A Modernizations.

The project scope included:

- Expansion of the TSA checkpoints, ticketing, and baggage claim areas in Concourse B
- All new architectural finishes, flooring, enhancements, and renovations of Concourse B
- New carpeting throughout Concourse C
- Expansion of TSA checkpoint in Concourse D
- Renovation and addition of architectural finishes and terminal signage in Concourse D up to the Concourse D Expansion
- New escalators
- Bank & post office renovations

The Southwest Airlines Gates work included the renovation and update of waiting/holding areas and ticket counters for 6 gates on Concourse B as well as administrative and operations offices on the apron level below. The scope included all new architectural finishes, ceiling, flooring, window tinting, light fixtures, paint, carpet, and tile.
