

CHALMETTE MEDICAL CENTER EXPANSION

INTENSIVE CARE UNIT/LAB/PATIENT ROOM ADDITION

Chalmette, LA

"Quality workmanship achieved in a professional manner... The Project Management team is organized and committed to complete the project within the very condensed construction time... coordination oriented experienced team approach that resolved issues immediately... preparation of cost proposal documentation with proposed changes was exceptional... having been exposed to numerous public low bid contractors during our 30+ years of practice it was a refreshing experience working with The McDonnel Group...."

Henry Duplantier, Partner
Duplantier & Meric Architects

PROJECT OVERVIEW

This complex project was a 63,000 SF structural steel addition to an existing, fully operational hospital including an intensive care unit, laboratory space, and patient rooms.
