

LOUISIANA MEDICAL CENTER & HEART HOSPITAL

Lacombe, LA

"I highly recommend The McDonnel Group for any hospital or health care construction project. My experience working with them has proven to be both beneficial as an owner and rewarding on a professional and personal level."

**Jay Homung, Formerly Vice President of
Facilities & Construction
MedCath Corporation**

PROJECT OVERVIEW

The Louisiana Medical Center & Heart Hospital sits on a 7.5 acre site in Lacombe, LA. The project involved a 107,000 SF expansion of the Main Facility including: 79 New Patient Beds, Operating Rooms, PACU, Recovery, Nuclear Medicine, MRI, Endoscopy, Radiology & CT Scan, Emergency Department, New Emergency Room Drop-Off Entrance, Mechanical Central Plant Expansion, as well as the integration of new systems into existing hospital.
